### Do you have questions about economic and financial consulting?

Are you interested in learning more about Cornerstone Research? Curious to know what it's like to work here? Whether you want to find out what we do, how we do it, or discover the kind, welcoming culture that makes us a great place to build your career—we have answers!

Join us for a series of virtual recruiting events that will introduce you to our industry and our firm. These sessions are designed to help you learn about litigation consulting at Cornerstone Research, including our practice areas, our people, and employment opportunities for undergraduates in the upcoming year.

We will host four sessions in April 2023, which are open to all students. We invite you to attend all four, or choose the sessions that are right for you. We will distribute the virtual link to registrants the week prior to each session. [Register here by April 1!](#)
