

INTERNSHIPS AVAILABLE IN SPIRITS!

Pronghorn has partnered with INROADS to launch an internship preparation program for Black students interested in entering the spirits industry.

PSA BACKGROUND AND CRITERIA

The PSA is designed to provide the tools & resources needed to learn the industry and to position interns for success in obtaining full time employment post graduation.

Through this preparatory program, students will engage in structured coaching, networking and mentoring sessions while honing business skills critical for advancement in consumer goods within an ever changing global marketplace.

This program targets motivated Black students attending HBCUs and other universities that are 21+ years of age by the start of training.
